

## Additional Course Related Costs

There may be additional expenses associated with your course, which are not included within the tuition fee that you pay.

The table below provides an indication of additional course specific related costs, please note that actual costs can vary depending on the choices you make during your course.

This information is for applicants starting your course in 2025/26. For students starting in later years this can be used as an illustrative cost and updated information will be provided directly to students once available.

Accommodation and living costs are not included in the fees. Further information on accommodation can be found on our website: [www.shu.ac.uk/accommodation](http://www.shu.ac.uk/accommodation)

The University provides a range of work experience opportunities for students. Any work experience that you undertake as part of your course could incur travel costs, these would be dependent on the location of your work experience placement.

If your course is not listed below, there are no additional course specific costs. There will be some general costs that could relate to all courses which are listed separately.

| Subject                           | Course Name  | Estimated minimum cost (£) | Estimated maximum cost (£) | Detail of cost   | Optional or Mandatory?        | Additional notes  |
|-----------------------------------|--|----------------------------|----------------------------|--|-------------------------------|---|
| Diagnostic Radiography            | BSc Hon Diagnostic Radiography (Including with Foundation Year)  | £0                         | £240                       | Missed OH screening assessments                                | Mix of Mandatory and Optional | A full Occupational Health Screening Assessment and vaccination programme is included as part of your course tuition fees. If you miss/do not attend three Health Screening Assessment or vaccination appointments, you may be withdrawn from your course, as per the Sheffield Hallam – Student Attendance and Engagement Policy. Further details on this – can be found via the university's rules and regulations pages.<br><br>Vaccinations programmes you choose to undertake with your own GP or health provider may be subject to their charges. The University will not reimburse you for these costs.  |
|                                   |  | £0                         | £50                        | Professional body memberships                                  | Optional                      | Student membership of the relevant Professional Body is optional. Typically this will be around £50 per annum.  |
|                                   |  | £0                         | £129                       | Additional uniforms  | Optional                      | An initial set of uniforms is included in the course tuition fee at the start of the course. Students have the option to purchase additional sets, which will incur additional costs. This cost is inclusive of a delivery charge of £5.03.   |
| Diagnostic Radiography            | MSc Medical Ultrasound Practice  | £0                         | £129                       | Additional uniforms  | Optional                      | An initial set of uniforms is included in the course tuition fee at the start of the course. Students have the option to purchase additional sets, which will incur additional costs. This cost is inclusive of a delivery charge of £5.03.   |
|                                   |  | Dependent on location      | Dependent on location      | Placement travel and possible accommodation                    | Optional                      | A placement with sonography is essential. If student's current practice does not provide this, then travel to placement costs may be incurred. The course includes an exchange visit to a different clinical department and will incur travel costs and possible accommodation costs.   |
| Health and Social Care Management | MPhil/PhD Health and Social Care   | £0                         | £2,255 per year            | Project costs such as laboratory work                          | Mandatory                     | Please be aware that additional project costs may be applied over and above the tuition fee. If this is the case, this will be discussed at the admissions stage of the MPhil/PhD application and agreed within the offer letter.   |
| Health and Social Care Management | MSc Dietetics (Pre-Registration)   | £240                       | £240                       | Missed OH screening assessments                                | Mix of mandatory and optional | A full Occupational Health screening assessment and vaccination programme is included as part of the tuition fee. If you miss or do not attend three health screening assessments or vaccination appointments you may be withdrawn from the course as part of the Sheffield Hallam University student attendance and engagement policy. Further details of this can be found on the University's rules and regulations pages.<br><br>Vaccination programmes you chose to undertake with your own GP or health provider may be subject to additional charges which the University will not reimburse your costs.   |
|                                   |  | £0                         | £54                        | White lab coat and protective shoes for food practicals        | Optional                      | Students are required to purchase white lab coats and protective shoes to wear during food practicals in a large scale kitchen (Owen 1242). This is to protect students clothes and comply with food hygiene standard to meet health and safety requirements in the kitchen. Students who already have lab coats or 'chef's whites' may wear these.   |
|                                   |  | £0                         | £87 per set                | Additional uniforms  | Optional                      | An initial set of clinical uniforms is included in the course fee at the start of the course. Students have the option to purchase additional sets, which will incur additional costs. This cost is inclusive of a delivery charge of £5.03.  |
|                                   |  | Dependant on location      | Dependent on location      | Placement expenses   | Optional                      | Travel to placement, and in some circumstances additional accommodation costs related to placement, will be incurred. Home Students on clinical placement in receipt of Student Finance England loans will be eligible for Travel and Dual Accommodation Expenses (i.e. second accommodation local to placement and travel, if further than the normal Journey to University). More information about the Learning Support Fund can be accessed via Student Finance England website. International students are not eligible to claim travel or dual accommodation expenses and these need to be planned for. The SHU placement circuit includes South Yorkshire, North Lincolnshire and Goole, Derbyshire and Nottinghamshire. There are good links by public transport from the Sheffield area but for those placements further afield we usually recommend booking second accommodation local to the placement site. |

|                           |                                      | £85                        | £515                       | Smart mobile device  | Mandatory                     | A portable smart device is required (iOS 13 and above, or Android 8 and above), as students receive electronic sign off on placements via the PebblePocket App. The device needs Wi-Fi capability to enable competencies to be sent over to their PebblePad account.   |
|                           |                                      | £0                         | £240 per year              | Missed OH screening assessments  | Mix of Mandatory and Optional | A full Occupational Health Screening Assessment and vaccination programme is included as part of your course tuition fees. If you miss/do not attend three Health Screening Assessment or vaccination appointments, you may be withdrawn from your course, as per the Sheffield Hallam – Student Attendance and Engagement Policy. Further details on this – can be found via the university's rules and regulations pages.  |
|                           |                                      | Dependent on location      | Dependent on location      | Placement travel and possible accommodation cost   | Mandatory                     | Vaccinations programmes you choose to undertake with your own GP or health provider may be subject to their charges. The University will not reimburse you for these costs.<br>Travel to placement, and in some circumstances additional accommodation costs related to placement, will be incurred.<br>Home Students on clinical placement in receipt of Student Finance England loans will be eligible for placement expenses (i.e. second accommodation and travel, if further than the normal Journey to University). More information about the Learning Support Fund can be accessed via Student Finance England website. International students are not eligible to claim placement expenses and these need to be planned for. The SHU placement circuit includes South, West, East and North Yorkshire, North Lincolnshire and Goole, Derbyshire and Nottinghamshire. There are good links by public transport from the Sheffield area but for those placements further afield we usually recommend staying in local Hospital accommodation whilst on placement. |
|                           |                                      | £0                         | £40 per year               | ICPG JRCALC subscription   | Optional                      | Students may wish to subscribe to the ICPG a digital version of the official Joint Royal Colleges Ambulance Liaison Committee (JRCALC) guidelines for ambulance service practitioners. The JRCALC provides clinical guidance for the administration of drugs. The cost of the subscription is £29.99 per year or £2.99 per month.  |
| Physiotherapy             | BSc Hon Physiotherapy                | £0                         | £230                       | Missed OH screening assessments  | Mix of Mandatory and Optional | A full Occupational Health Screening Assessment and vaccination programme is included as part of your course tuition fees.
